DELE COURSES

The DELE are official certificates, accrediting the levels of competence and mastery of the Spanish language, which are awarded by the Cervantes Institute on behalf of the Ministry of Education, Culture and Sport of Spain.

DELE A2

The A2 Spanish Diploma (DELE) accredits the holder with the language capacity to understand daily and frequently used phrases and expressions related to areas that are especially relevant (basic information about yourself and your family, shopping, places of interest, occupations, etc.); to be able to have communicative interchanges which are simple and direct about known or habitual concepts and to be able to describe in simple terms aspects of your past and your environment, as well as to be able to meet issues related to your immediate needs.

The DELE A2 exam is composed of different tests organized in two groups:

- Group 1 (Literacy skills): Reading comprehension (60 minutes) and written expression and interaction (50 minutes)
- Group 2 (Oral language skills): Listening comprehension (35 minutes) and oral expression and interaction (15 minutes). A "pass" grade is required in each of the test groups during the same exam.
 - The final grade is either PASS or FAIL.
 - IMPORTANT: In the written expression test, it is important to strictly follow the instructions provided in the test regarding the number of words and format of the text.
