MÁLAGA

Art and flavor, that's how Málaga is defined, a city with diverse gastronomy and a seafaring cuisine, framed within the culinary tradition of Andalusia.

Málaga is a welcoming city and the perfect destination for group language stays, as it is very safe, well-connected, and located in the heart of Andalusia, offering a wide variety of tourist activities.

Its pleasant climate (15–20°C in winter and 28–35°C in summer), abundant beaches, vibrant cultural scene (with more than 40 museums), and lively leisure options make it an ideal destination for Spanish language students.

Málaga is a multicultural city, with traditions that date back to ancient times. Throughout the year it hosts various festivities: Carnival, the Feria, Holy Week... all of which make the city a wonder to visit in any season.

Málaga Airport is the most important in southern Spain, with numerous national and international flights.
